*NEMCC students can substitute a 300 level FIN or ECON class that has not already been used, to fulfill this requirement (after transfer)

*Any Community College course which equates to a 300 level course at UM will not count to satisfy any requirements in the Accounting program.*

**A maximum of 62 hours of community college credit may be applied toward a Bachelor of Business Administration degree at The University of Mississippi.**

IMPORTANT NOTE:

*To be considered for admission to the professional program, a student must successfully complete the pre-accountancy program or its equivalent and have a minimum grade-point average of 2.5 on 54 or more cumulative hours attempted. A student failing to meet this grade-point average requirement may appeal for an exception but should be able to cite strong evidence of his or her potential for successfully completing the program. Completion of the minimum requirements will not in itself, however, ensure admission to the professional program. Admission will be by acceptance of application. Before enrolling in Accountancy 401, 402, or 411, a student must have been admitted to the professional program.* - The University of Mississippi Fall 2010
