MEMPHIS INTERNATIONAL AIRPORT TRANSPORTATION SERVICE

The University’s Division of Outreach Events & Services offers a shuttle service to and from the Memphis International Airport (MIA) for students and University affiliates. Shuttles do not run continuously to and from the airport. These run on a reservation basis only. Shuttle requests should be made at least (6) days prior to the date of travel and no later than the Friday of the week prior to your flight in order to ensure a shuttle is available. It is recommended that you schedule a shuttle as soon as your flight is booked to ensure we have time to process and accommodate your request. Reservations are accepted up to one year in advance. Shuttle availability is limited and frequently reaches a maximum capacity during heavy travel times (beginning and ending of semesters, holidays, Spring Break, etc.). Please keep this in mind when scheduling your shuttle.

The cost of one round-trip MIA shuttle is $135 per person. The cost of a one-way MIA shuttle is $85 per person. To book a round-trip shuttle, flight information for both travel dates are required at the time of booking. Payment is required prior to your shuttle departure with either a VISA or MasterCard.

The shuttle service operates 7 days/week with the exceptions of University-recognized holidays (www.olemiss.edu/hr/holiday_schedule.html) and home football game days. The earliest departing flight time that can be accommodated is an 8:00 a.m. CST/CDT flight and the latest arriving flight time that can accommodated is a 10:00 p.m. CST/CDT flight.
