

## COLLEGE COURSEWORK

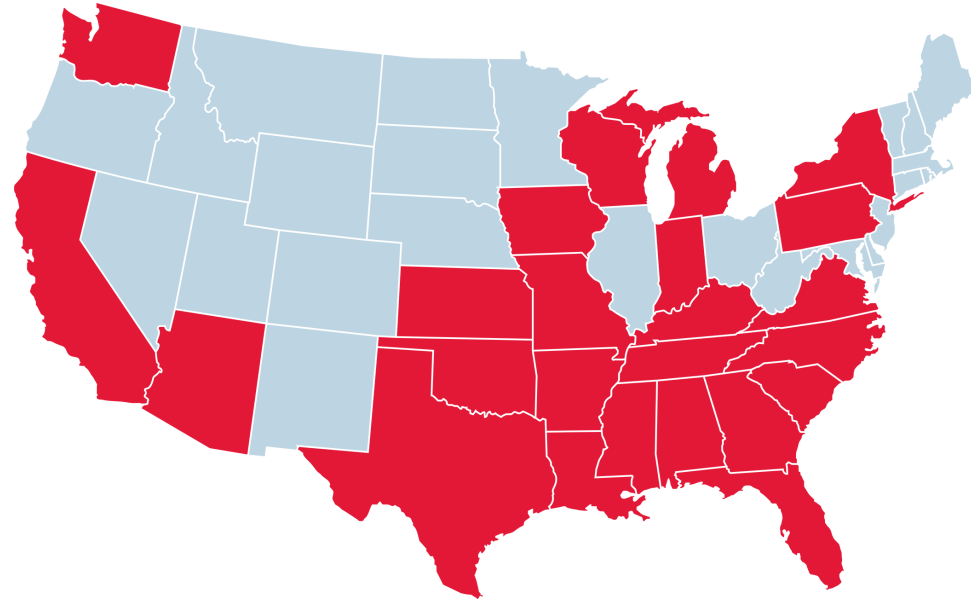

Lott Leadership participants enroll in two college-level academic courses as part of the program:

- Political Science 101: Introduction to American Politics
- Topics include political procedures, electoral processes, and political institutions.
- Speech 102: Fundamentals of Public Speaking
- Topics include how to organize, prepare, and deliver speeches in a variety of public forums.

*“I enjoyed the courses that we had to take and I feel like they prepared me for college. I really enjoyed going to Washington with my session and traveling with them. If I had the chance to do it again, I would in a heartbeat.”*

*“I had a great experience that I wish every single rising senior in the national could experience. It is something I will never forget.”*

## LOTT LEADERSHIP INSTITUTE FOR HIGH SCHOOL STUDENTS

The goals of the Lott Leadership Institute for High School Students are to develop leadership skills in young citizens like you and to prepare them for college. To achieve these goals the Lott Leadership Institute brings together student leaders to earn college credit and to begin the study of leadership on the University of Mississippi campus.

OFFICE OF PRE-COLLEGE PROGRAMS  
THE UNIVERSITY OF MISSISSIPPI

### DATES

Session 1: **May 24-June 26**

Session 2: **June 22-July 24**

### TRIP TO WASHINGTON, D.C.

- The five-day field trip includes:
- Visits with federal officials, include U.S. Senators and Representatives
- Tours of capital city attractions
- Meetings with leaders in industry and in the nonprofit sector

“  
*It made me more open minded, more dynamic, and a more effective public speaker.*  
 ”

Included in the program are opportunities to interact with college administrators, student leaders, and active community members while participating in current-event debates, discussions, and decision-making activities.

The program culminates in a carefully curated visit to Washington, D.C. On this trip, participants meet with their elected representatives, sample the cultural life of the nation’s capital, and network with D.C. professionals working in both for-profit and non-profit worlds. Ideally, students completing the program will put their new skills to work for the betterment of their communities.

If accepted, students will enroll in two University of Mississippi courses and must attend all meetings. The trip to Washington, D.C., is a mandatory component of the program; students must fly to and from D.C. with the group. If a student is unable to commit to the program dates, he/she should decline nomination for consideration.

### HOUSING

All students accepted to the program are housed with the Summer College for High School Students program in a residence hall designated specifically for them. Adult staff as well as counselors selected from the UM student body mentor and supervise. While in D.C., students will be closely supervised by University staff and student counselors. The group travels together and is housed in a secure setting.

### COSTS

Once students are accepted to the program, they are required to pay a non-refundable \$100 registration fee to reserve their place in the program. Students are additionally responsible for a \$500 program fee at the start of the program, plus the cost of books, weekend meals, snacks, and souvenir/spending money. All remaining costs for room, board, tuition, and travel are covered by a program scholarship. Our website has information on fundraising resources and additional financial aid opportunities to help students defray their portion of the program costs.
