MORE INFORMATION
You will receive an email the week before each session of Rebel Quest, Ecology Day Camp, and Makers and Mechanisms for which the student is registered. The email will include the above information, details about special activities and field trips for the week, and any instructions related to the theme for the week.

PROGRAM RULES
Students will be expected to follow all rules set by their camp teacher and counselors. As rules and expectations will change based on the activity that the students are engaging in, students will be given clear instructions and expectations before and during each activity (i.e. crossing the road, playing in the Grove, working on a class activity, and swimming will all have different rules and expectations associated with them).

CONSEQUENCES FOR RULE VIOLATIONS
If a student repeatedly breaks these rules and therefore hinders the experience and safety of themselves and/or other students, they will be referred to the program coordinator. Referral to the coordinator the first time will result in a parent conference with the coordinator. Referral to the coordinator a second time will result in dismissal from the remainder of the week. Please note that all fees are non-refundable if a student is dismissed based on rule violations.

EXCESSIVE/SEVERE VIOLATIONS
Excessive or severe rule violations are not tolerated and are grounds for immediate dismissal from the program. Excessive or severe rule violations may include violent conduct, bad language, bullying, disrespect, fighting, hitting, spitting, biting, or any conduct that violates The University of Mississippi Creed.
