OLE MISS ID FORM

When preparing to participate in the Ole Miss Experience, one of the first steps is obtaining an Ole Miss ID Card. Having an Ole Miss ID Card is mandatory; it identifies you as an Ole Miss student, gives you access to your residence hall, allows access to the library both in person and via the web, and other campus facilities and events. The ID Card is also the means by which you will access your meal plan.

Complete this form and return it with a color head-shot photo. Please do not send full-body shots or pictures in which you are wearing a hat or any other head-covering. Most school photos meet these demands, and are more than acceptable. This is the fastest way to obtain your ID Card. Moreover, this way you get to choose your picture for your ID and avoid standing in line!

SUMMER GUIDELINES AND RULES

The Office of Pre-College Programs hosts a wide variety of academic programs during the summer. Programs include Summer College for High School Students, Lott Leadership Institute, one-week camps and programs, research programs, and more. All students participating in these programs are obliged to comply with the same rules and regulations.

CHECK-IN AND ORIENTATION

Registration will be held in the lobby of the Residential College South. Please consult the program's website for dates and times; however, students will receive an email two weeks prior to your session with information about check-in, move-in, and orientation. Following move-in, there will be a brief orientation for students and parents. **Attendance is mandatory for students and encouraged for parents.** After orientation, parents are free to go, and students will be given directions about our evening activities and welcome dinner.

OVERVIEW OF ACTIVITIES DURING THE PROGRAM

The purpose of all our programs is to introduce students to college. Daily schedules are filled with morning and afternoon classes, lab times, meetings with professors, and even some tours of facilities that students would not normally see on a visit to UM. Students will get to peek inside the athletic facilities, tour performing arts facilities, visit with researchers in labs on campus, and hear about cutting edge technologies that are all part of the college campus. However, a big part of college life revolves around meeting friends, studying in groups, learning how to navigate the library, and networking with students and college personnel. We have a wide variety of activities planned for students that include panel discussions in the academic subjects, meetings with current UM student leaders to hear about issues that affect college students, sports tournaments, cultural and recreational activities.

Attendance to Activities: For students to benefit from the college experience, they are expected to attend all activities, as well as all of their classes. Students may be given an option to attend some events or activities, but **community activities are mandatory.**

Dormitory Information: Students will be housed in the **Residential College South.**

Residential College South includes furnished suites with bathrooms that are shared with only a student's roommate, wireless Internet, laundry room, and a high technology security system. Each floor is equipped with a TV room and a kitchen with a microwave oven. Each room is equipped with two extra large twin beds, a small refrigerator, two chairs, two desks and two cabinets. These small cabinets are lockable, so bring your own padlock.

Room assignment will be given at check-in. For a more enriching cultural experience, a student may be assigned a roommate from a different state, region, or country. Males and females are housed separately, and international students are roomed with American residents or with another international student who speaks a different language than their own. **Students may not request a specific roommate.**

The University of Mississippi has strict policies for minors attending summer programs; therefore, all residential students participating in our programs are required to live in the same residence as the rest of the students enrolled in our programs. No independent living arrangements are allowed. Students are required to stay inside the RC (Residential College) from 10:00 pm to 6:00 am. All students housed in University residences must abide by UM housing rules.

THE SHORT AND SWEET HOUSING NO-NO LIST

ALCOHOL, ILLEGAL DRUGS, CANDLES, INCENSE, SMOKING, VAPING, WEAPONS, COOKING APPLIANCES, PETS, HALOGEN LAMPS, DOUBLE-STICK TAPE, DUCT TAPE, TAMPERING OF FIRE SAFETY EQUIPMENT, REMOVAL OF FURNITURE, HANGING OR THROWING THINGS OUT WINDOWS, DAMAGING WALLS, FURNITURE, OR VENDING MACHINES, FIGHTING, STEALING, VANDALISM, HARASSMENT, HALL SPORTS, LOUD NOISE.

For a complete list of activities not allowed at the Residential College, please visit

www.olemiss.edu/schs/conduct_policies

The student will be responsible for any damage to their room during your stay at the University. If a student has any accidental damage, please notify their counselors immediately. A lost key results in a \$30 dollars replacement. If a student locks their key in their room, Student Housing will charge students \$5 to let them in.

Meals: A meal plan is required for all residential students. The meal plan we have selected allows the student to have 2 meals a day from Monday to Friday at the Rebel Market with Express cash for meals, snacks, etc. The student's meal plan is loaded on a card you will receive at check-in. Please visit the program's website for details about the meal plan.

SUMMER GUIDELINES AND RULES

What to Bring: Students should bring **linens for an extra-long single bed**, personal hygiene items, toiletries, shower shoes, toilet paper, and cleaning supplies. We also recommend students to bring school supplies such as notebooks and pens. Students can bring their own computer and printer, although students can also use the computer labs on campus. For safety reasons, do not bring jewelry, a lot of cash or other valuable items. We also suggest students to pack comfortable summer clothes, sportswear such as swimsuit, tennis shoes, etc. and Sunday dress attire to attend church on Sundays. For more information, please check the program's website.

Leaving Campus during the Program (High School Programs Only): Due to the amount of activities we host during the week, we strongly discourage requests to leave campus on weekdays. In the case that it is necessary, we request that students' parents follow the procedures for checking out and fill out the form found at www.olemiss.edu/schs 24 hours prior to your departure. We also ask parents to check out students **ONLY** between 6:00 pm and 7:00 pm on weekdays and to have them back before 9:30 pm. Request to leave campus at a different time must be discussed with the program director.

Check-Out Procedure: Student safety is our priority. For that reason, it is of great importance that students and their parents understand how to check out correctly when leaving campus.

- 1) Parents are required to complete a "Student Leave Form" on our website (www.olemiss.edu/schs) 24 hours prior to the student's departure.
- 2) Students are required to notify their counselor at least 24 hours prior to their departure.
- 3) When the student is ready to leave, they must sign out at the desk. **Please make sure the student leaves campus at the designated times only.** The parent listed on the leave form will be called at this point if he/she is not present to check them out. The student will not be able to leave campus until the parent is contacted.
- 4) The student must sign back in upon return, notify their counselor and return any car keys, if they drove back.

Visitors: Due to the strenuous schedule of activities during the program, **off-campus visitors are not allowed during the week.** For all students' safety, **no visitors are allowed in the students' rooms, including parents**, unless they are assisting with move-in or move-out. Visitors are allowed in the common areas of the residence hall. Weekend visitors other than parents must be cleared through the program's office prior to their arrival.

Automobiles: If a student brings their automobile, he/she must **purchase a parking permit** from Parking and Transportation Services. The use of an automobile while in attendance to the program will be limited to traveling home on weekends, and only with the permission of the student's parents and the Director's approval. A student cannot drive their car at any other time. Car keys should be turned in to their counselors as soon as unpacking is completed. SCHS counselors and staff will take the student where they need to go off campus, including weekly Walmart runs.

Religious Worship Services: Individual preferences for church/religious services will be honored. Arrangements to attend Sunday services should be made with counselors or staff. Oxford has a Mosque, but not a Synagogue.

Transportation to and from Campus: A student may reach the University by plane, taxi, or private automobile. If a student would like us to pick them up, flights must be arranged to and from Memphis International Airport. If a student plans to arrive by plane, please fill out the shuttle request form at www.olemiss.edu/schs/. We will provide shuttles free of charge as long as your flight does not arrive later than 10:00 pm or before 8:00 am. Please contact us if you have any question regarding shuttles times.

Emergency: In the event of an emergency during business hours (8AM-5PM CST), please call our office at **662-915-7621**. If the emergency happens after hours or during the weekend, please call the emergency number that will be provided during orientation. If an emergency occurs on campus, you must contact a counselor, staff, or the Director immediately. Contact lists for the staff and other emergency numbers will be given at registration and orientation.

Mailing Address: The student's mailing address on campus will be in the format below. All mail will be dispersed during daily announcements. Due to the short length of some programs, we strongly discourage mailing any unnecessary items as they may not arrive by the end of the program. Note: UPS and Fedex will **ONLY** deliver to our physical address, not the post office box.

SUMMER GUIDELINES AND RULES

All Pre-College Programs participants **are expected to conduct themselves responsibly, honestly, and with due consideration for others.** This expectation for mature and responsible conduct also encompasses accountability for one's own well being, including responsible decision-making regarding physical and mental health. All participants of our programs must familiarize themselves with the general guidelines and the rules. Because students are expected to show good judgment at all times, not every kind of misconduct or behavioral expectation is codified here. The following information is to advise you of arrangements, rules, and general expectations. Once you (the student) have read them carefully, please send the last page of these guidelines signed by you and your parents.

1. DRUGS AND OTHER SUBSTANCES RULES

The Office of Pre-College Programs has a **ZERO TOLERANCE POLICY** for **consumption, possession, distribution, solicitation, assistance in the acquisition, transmission, trafficking, manufacturing or attempt to manufacture alcohol, illegal drugs, or drug paraphernalia any time while enrolled in any of our programs, whether on campus, off campus, or at a private gathering.**

PARTICIPATION IN AN INCIDENT OR ATTENDING A GATHERING INVOLVING ALCOHOL, ILLEGAL DRUGS, AND/OR THE MISUSE OF PRESCRIPTION DRUGS OR OTHER MEANS EMPLOYED TO INDUCE RESULTS OF EFFECTS SIMILAR TO INTOXICATION OR IMPAIRMENT IS CAUSE FOR IMMEDIATE DISMISSAL FROM THE PROGRAM, EVEN WHEN THE ONLY EVIDENCE IS SOCIAL MEDIA.

2. VIOLENCE AND ASSAULT RULES

Cases of assault and sexual misconduct are not tolerated in any of our programs. If you are a victim or a witness of a violent act or assault, **you must report it to your counselor or the program director immediately.** Our staff will report it to University Police (662-915-7234), the Title IX Coordinator (662-915-7045), and Mississippi Department of Human Services (800-222-8000) and provide a written notification as soon thereafter as possible. If the Program Director may be involved in the suspected assault or abuse, the person should report the suspected assault or abuse to the University's Title IX Coordinator.

Taking pictures of other participants and/or counselors and posting them on social media **with intentions of harming, bullying, mocking, or showing disrespect is not tolerated.** Students involved in such conduct will be subject to disciplinary procedures.

3. VISITS TO OTHER BUILDINGS AND VISITOR RULES

- It is strictly forbidden for a Pre-College Programs student to visit any other resident halls, fraternity or sorority houses, or campus apartments. These facilities are **OFF-LIMITS AT ALL TIMES.** This includes the public lobbies. **Visiting other residence halls is cause for dismissal of the program.**
- No visitors are allowed in your room, including parents or family members unless they are assisting you with move-in or move-out.
- You cannot visit other students' rooms **after 10:30 pm.** If it is an emergency, you have to contact your counselors immediately. Failure to comply will lead to a disciplinary procedure.

4. LEAVING CAMPUS RULES

- You are not allowed to leave campus by yourself at any time** unless you are checked out. Counselors, instructors, and/or staff members have to accompany you if you leave campus. **There is no exception to this rule; failure to comply will result in dismissal from the program.**
- You are not to drive your car or ride in any non-University vehicle while attending the program.** Even if you are leaving with family members, you should complete the Check-Out Procedure 24 hours prior to your departure.
- It is mandatory for you and your parents to **follow the Check-out Procedure** and to adhere to the designated check-out times.

5. UNIVERSITY RULES

- All Pre-College Programs participants must abide by all University of Mississippi rules and regulations. This includes the University of Mississippi Minors on Campus policies, Residence Hall Code of Conduct, Academic Codes, UM Creed, and Pre-College Programs Rules. Failure to comply with any of these rules can lead to disciplinary procedures.
- Pre-College Programs students living in any of the University Residence must comply with Residence Halls Rules. For detailed information, please visit http://www.outreach.olemiss.edu/schs/conduct_policies

6. RESIDENTIAL SUMMER PROGRAMS RULES

- You must attend announcements from Monday to Friday at 5:00 pm**
- You must attend community activities right after announcements.
- You must be inside your room at **10:30 pm every day** (except for days when activities run later)
- You must be inside the residence hall at **10 pm every day.**

SUMMER GUIDELINES AND RULES

Major vs. Minor Rule Violations: Minor violations are when a student intends no harm or disrespect for the rules. For example, being too boisterous in the dorm is usually a minor violation, as is being five minutes past curfew. Major violations are when the student shows malice or disrespect of the rules. For example, intentionally harming another student is a major violation, as is breaking one of the program rules (page 6C). In the above minor violation examples, being boisterous in the dorm rises to major level if someone is caused harm or if a student intentionally disregards warnings. A curfew violation would rise to major level if it were repeatedly by more than 10 minutes, or if a student was being disrespectful by doing everything possible to be late coming into the dorm or going to his/her floor.

Penalties for minor rule violations include loss of privileges, such as the ability to leave the dorm after dinner. THE ONLY PENALTY FOR A MAJOR RULE VIOLATION IS DISMISSAL FROM THE SUMMER COLLEGE PROGRAM!

If a student is suspected to have broken a major rule, they are subject to a room search and a student investigation will be opened. Our staff will follow the steps below during the investigation:

1. Cell phones from all students involved will be taken from students.
2. Students will be separated and facts will be gathered. Depending on the severity of the situation, University Police could get involved at this step.
3. One of three actions will be taken according to the rules and general guidelines of The University of Mississippi and the Office of Pre-College Programs:
 - A. Take no action
 - B. Place student on probation (where a student will stay in his/her room for a set amount of time and only leave for academic reasons and to eat)
 - C. Send student home. (All expenses are non-refundable)
4. Once the investigation is over and a decision about action has been made, parents for all parties involved will be contacted and given a full report.
