Revised 10–31–2016
YOU MUST SEND A PICTURE WITH THIS FORM EVEN IF YOU SENT ONE WITH YOUR APPLICATION IN ORDER TO HAVE AN ID CARD AT REGISTRATION

When preparing to participate in the Ole Miss Experience, one of the first steps is obtaining an Ole Miss ID Card. Having an Ole Miss ID Card is mandatory; it identifies you as an Ole Miss student, gives you access to your residence hall, allows access to the library both in person and via the web, and other campus facilities and events. The ID Card is also the means by which you will access your meal plan.

Complete the form and return it with a professional head-shot color. Please do not send full-body shots or pictures in which you are wearing a hat or any other head covering. Most school photos meet these demands, and are more than acceptable. This is the fastest way to obtain your ID Card. Moreover, this way you get to choose your picture for your ID and avoid standing in line!

Summer College is the umbrella for a variety of different programs offered by the Office of Pre-College Programs. Summer College encompasses Summer Academy, 9th, 11th and 12th Trent Lott Leadership, StarTalk, One-week Residential Programs, Research Programs among others. All students participating in these programs are obliged to comply with Summer College regulations.

Registration and Orientation

Registration will be held in the lobby of the Residential College South. Please consult your program’s website for dates and times; however, you will receive an email two weeks prior to your session with update information about registration, move-in and orientation. Following move-in, there will be a brief orientation for you and your parents. Attendance is mandatory for students and encouraged for parents. After orientation, parents are free to go and you will be given directions about our evening activities and welcome dinner.

Overview of Activities During the Program

The purpose of Summer College is to introduce you to college. Daily schedules are filled with morning and afternoon classes, lab times, meetings with professors, and even some tours of facilities that you would not normally see on a visit to UM. You will get to peek inside the athletic facilities, tour performing arts facilities, visit with researchers in labs on campus, and hear about cutting edge technologies that are all part of the college campus. However, a big part of college life revolves around meeting friends, studying in groups, learning how to navigate the library, and networking with students and college personnel. We have a wide variety of activities planned for you that include panel discussions in the academic subjects, meetings with current UM student leaders to hear about issues that affect college students, sports tournaments, cultural and recreational activities.

Attendance to Activities: For you to benefit from the college experience, you are expected to attend all activities, as well as all of your classes. Sometimes you will be given the choice to attend some events or activities, but community activities are mandatory.

Dormitory Information: You will be housed in the Residential College South. This Residence includes furnished suites with bathrooms that are shared with only your roommate, wireless Internet, laundry room, and a high technology security system. Each floor is equipped with a TV room and a kitchen with a microwave oven. Each room is equipped with two extra large twin beds, a small refrigerator, two chairs, two desks and two cabinets. These small cabinets are lockable, so bring your own padlock.

You will be given your room assignment at registration. For a more enriching cultural experience, you may be assigned a roommate from a different state, region, or country. Males and females are housed separately, and international students are roomed with American residents or with another international student who speaks a different language than their own. You may not request a specific roommate.

The University of Mississippi has strict policies for minors attending summer programs; therefore, all residential students participating in our programs are required to live in the same residence as the rest of the students enrolled in our programs. No independent living arrangements are allowed. You are required to stay inside the RC (Residential College) from 10:00 pm to 6:00 am. All students housed in University residences must abide by UM housing rules.

The Short And Sweet Housing No-No List:

For a complete list of activities not allowed at the Residential College, please visit www.olemiss.edu/schs/conduct_policies

You will be responsible for damage to your room during your stay at the University. If you have any accidental damage, please notify your counselors immediately. A lost key results in a $30 dollars replacement. If you lock your key in your room, Housing will charge you $5 to let you in.

continued
Meals
A meal plan is required for all residential students. The meal plan we have selected allows you to have 3 meals a day from Monday to Friday. Your meal plan is loaded to your Ole Miss ID. This meal plan also allows you to purchase items from vending machines on campus. Off-campus meals have to be covered at your own expense. Please visit your program’s website for details about your meal plan.

What to Bring
You should bring linens for an extra-long single bed, personal hygiene items and cleaning supplies. We also recommend you to bring school supplies such as notebooks and pens. You can bring your own computer and printer, although you can also use the computer labs on campus. For safety reasons, do not bring jewelry, a lot of cash or other valuable items. We also suggest you to pack comfortable summer clothes, sportswear such as swimsuit, tennis shoes, etc. and formal attire if you are planning to attend to church on Sundays. For more information, please check your program’s website.

Grades and Transcripts
If you attended to a college-credit program, you must check your grades online at the end of your session. To do so, go to www.olemiss.edu and click on “Grades” under the CURRENT STUDENTS heading. From there, you must enter your WebID and your password. Then click on “Grades” and select the appropriate semester and year. If you do not remember your WebID or your password, contact the Information Technology Center located in Weir Hall at: 662-915-5222 or helpdesk@olemiss.edu.
You may also request a transcript by accessing www.olemiss.edu/schs and clicking on “Request a Transcript” button. Then follow the online directions for filling out the form.

E-mail
If you are an admitted student to a college-credit program, you will be provided with a UM email address, serving also as your WebID. You must set up this account in order to accept any scholarships or aid offered for your Summer College Program. Instructions are available on the web and through the Helpdesk at Ole Miss. If you have problems, you can contact helpdesk@olemiss.edu. There will be time for students to check email on campus.

Leaving Campus During the Weekend
You may go home on weekends if you choose; however, experience has shown that weekends are beneficial for students to prepare for the next week, to bond with other participants, and to promote the sense of belonging. We strongly suggest that you make an effort to stay on campus the first weekend in order to bond with other participants and the last weekend to prepare for final exams and to enjoy the last weekend with friends. In the case that you decide to leave campus for the weekend, you must follow the Procedures for Checking Out on the Weekend and plan your departure during the designated times. Please note that you are allowed to leave campus ONLY if you have permission of your parents.

Designated times to leave campus
**Weekdays:** We strongly discourage weekdays checkouts. In the case it is necessary, you are only allowed to check out with your own family between 6:00 and 7:00 pm and you must come back before 9:30 pm.

Check Out Procedure:
Your safety is our priority. For that reason, it is of great importance that you and your parent understand how to check out correctly when leaving campus.

1) Your parents are required to complete a “Student Leave Form” on our website (www.olemiss.edu/schs) 24 hours prior to your departure.

2) You are required to notify your counselor at least 24 hours prior to your departure.

3) When you are ready to leave, you must sign out at the desk. Please, make sure you leave campus at the designated times only. The parent listed on your leave form will be called at this point if he/she is not present to check you out. You will not be able to leave campus until your parent is contacted.

4) You must sign back in upon return, notify your counselor and return your car keys, if you drove back from home.

Visitors
Due to the strenuous schedule of activities during the program, off-campus visitors are not allowed during the week. For all students’ safety, no visitors are allowed in the students’ rooms including parents unless they are assisting with move-in or move-out. Visitors are allowed in the common areas of the residence hall. Weekend visitors other than parents must be cleared through the program’s office prior to their arrival.

Automobiles
If you bring your automobile, you must obtain a parking permit. The use of your automobile while in attendance to the program will be limited to traveling home on weekends and only with the permission of your parents and the Director’s approval. You cannot drive your car at any other time. Keys to your car should be turned in to your counselors as soon as unpacking is completed. We will take you where you need to go off campus, including weekly Walmart runs.

Religious Worship Services
Individual preferences for church/religious services will be honored. Arrangements to attend Sunday services should be made with one of your counselors or staff. Oxford has a Mosque, but not a Synagogue.

Transportation to and from Campus
You may reach the University by plane, taxi, or private automobile. All flights must be arranged to and from Memphis International Airport. If you plan to arrive by plane, please fill out the shuttle request form at www.olemiss.edu/schs/admitted_students. We will provide shuttles free of charge as long as your flight does not arrive later than 10:00 pm or before 6:00 am. Please contact us if you have any question regarding shuttles times.

Emergency
In the event of an emergency, please call our office at 662-915-7521. If the emergency happens after hours or during the weekend, please call the emergency number that will be provided during orientation. If an emergency occurs on campus, you must contact a counselor, staff, or the Director immediately. Contact lists for the staff and other emergency numbers will be given at registration and orientation.

Mailing Address: Your mailing address while on campus will be in the format to the right. All mail will be dispersed during announcements.

Our physical office is located in the E.F. Yerby Conference Center, on the corner of University Avenue and Grove Loop next to the Triplett Alumni Center.

Revised 10–31–2016
All Pre-College Programs participants are expected to conduct themselves responsibly, honestly, and with due consideration for others. This expectation for mature and responsible conduct also encompasses accountability for one’s own well being, including responsible decision-making regarding physical and mental health. All participants of our programs must familiarize themselves with the general guidelines and the rules. Because students are expected to show good judgment at all times, not every kind of misconduct or behavioral expectation is codified here. The following information is to advise you of arrangements, rules and general expectations. Once you read them carefully, please send the last page of these guidelines signed by you and your parents.

1. Drugs and Other Substances Rules
The office of Pre-College Programs has a ZERO TOLERANCE POLICY for consumption, possession, distribution, solicitation, assistance in the acquisition, transmission, trafficking, manufacturing or attempt to manufacture alcohol, illegal drugs, or drug paraphernalia at any time while enrolled in Summer College for High School Students whether on campus, off campus, or at a private gathering. PARTICIPATION IN AN INCIDENT OR ATTENDING A GATHERING INVOLVING ALCOHOL, ILLEGAL DRUGS, AND/OR THE MISUSE OF PRESCRIPTION DRUGS OR OTHER MEANS EMPLOYED TO INDUCE RESULTS OF EFFECTS SIMILAR TO INTOXICATION OR IMPAIRMENT IS CAUSE FOR IMMEDIATE DISMISSAL FROM THE PROGRAM, EVEN WHEN THE ONLY EVIDENCE IS SOCIAL MEDIA.

2. Violence and Assault Rules
Cases of assault and sexual misconduct are not tolerated in any of our programs. If you are a victim or a witness of a violent act or assault, you must report it to your counselor or the program director immediately. Our staff will report it to University Police (662-915-7234), the Title IX Coordinator (662-915-7045), and Mississippi Department of Human Services (800-222-8000) and provide a written notification as soon thereafter as possible. If the Program Director may be involved in the suspected assault or abuse the person should report the suspected assault or abuse to the University’s Title IX Coordinator.

Taking pictures of other participants and/or counselors and posting them on social media with intentions of harming, bullying, mocking, or showing disrespect is not tolerated. Students involved in such conduct will be subject to disciplinary procedures.

3. Visits to Other Buildings and Visitors Rules
a) It is strictly forbidden for a Pre-College Programs student to visit any other resident halls, fraternity or sorority houses, and campus apartments. These facilities are OFF-LIMITS AT ALL TIMES. This includes the public lobbies. Visiting other resident halls is cause of dismissal of the program.
b) No visitors are allowed in your room, including parents or family members unless they are assisting you with move-in or move-out.
c) You cannot visit other students’ room after 10:30 pm. If it is an emergency, you have to contact your counselors immediately. Failure to comply will lead to a disciplinary procedure.

4. Leaving Campus Rules
a) You are not allowed to leave campus by yourself at any time unless you are checked out. Counselors, instructors, and/or staff members have to accompany you if you leave campus. There is no exception to this rule; failure to comply will result in dismissal from the program.
b) You are not to drive your car or ride in any non-University vehicle while attending the program. Even if you are leaving with family members, you should have completed the Check-Out Procedure 24 hours prior to your departure.

**Major vs. Minor Rule Violations:** Minor violations are when a student intends no harm or disrespect for the rules. For example, being too boisterous in the dorm is usually a minor violation, as is being five minutes past curfew. Major violations are when the student shows malice or disrespect of the rules. For example, intentionally harming another student is a major violation, as is breaking one of the program rules (listed above). In the above minor violation examples, being boisterous in the dorm rises to major level if someone is caused harm or if a student intentionally disregards warnings. A curfew violation would rise to major level if it were repeatedly by more than 10 minutes, or if a student was being disrespectful by doing everything possible to be late coming into the dorm or going to his/her floor.

**Penalties for minor rule violations include loss of privileges, such as the ability to leave the dorm after dinner. THE ONLY PENALTY FOR A MAJOR RULE VIOLATION IS DISMISSAL FROM THE SUMMER COLLEGE PROGRAM!**

If a student is suspected to have broken a major rule, they are subject to a room search and a student investigation will be opened. Our staff will follow the steps below during the investigation:

1) Cell phones from all students involved will be taken from students, but not involuntarily searched.

2) Students will be separated and facts will be gathered. Depending on the severity of the situation, University Police could get involved at this step.

3) One of three actions will be taken according to the rules and general guidelines of The University of Mississippi and The Summer College for High School Students Program:
   
   A) Take no action
   
   B) Place student on probation (where a student will stay in his/her room for a set amount of time and only leave for academic reasons and to eat)

   C) Send student home. (All expenses are non-refundable)

4) Once the investigation is over and a decision about action has been made, parents for all parties involved will be contacted and given a full report.

**Guidelines and Rules Acknowledgment and Agreement**
