Assumption of Risk Form

The University of Mississippi offers students the opportunity to enroll in travel study programs. Certain potential risks to personal health and safety are associated with travel. You should not participate in a travel study program unless you are willing to accept the associated risks. The University of Mississippi cannot guarantee the health and safety of participants in a travel study program or eliminate all risks from off-campus environments.

Please read, sign, and return this form to the Study USA Office before your program of study begins. Students who fail to return this form will not be allowed to participate in any programs offered through the Study USA Office.

I. Acknowledgment of Risks
   a. I understand that there are certain risks associated with travel and that the University of Mississippi and its staff cannot control these risks.
   b. I understand that these risks may include exposure to potentially serious health and safety hazards such as (but not limited to): transportation accidents, storms, floods, earthquakes, and other natural disasters; infectious diseases, inadequate medical care, remote access to medical treatment; different standards of design, safety, and maintenance of buildings, public places, and conveyances; armed insurrections; and terrorist activities that may result in personal injury, destruction of personal property, or death.
   c. I understand that there can be specific hazards associated with the Study USA program. I have made my own investigation and am willing to accept these risks.

II. Institutional Arrangements
   a. I understand that the University of Mississippi does not represent or act as an agent for, and cannot control the acts or omissions of, any transportation carrier, hotel, tour organizer, or other provider of goods or services, including any independent travel agency, involved in the program specified above (the "Program"). I understand that the University is not responsible for matters that are beyond its control. I hereby release the University from any injury, loss, damage, accident, delay, or expense arising out of any such matters.

III. Independent Activity
   a. I understand that the University is not responsible for any injury or loss I may suffer when I am traveling independently or am otherwise separated or absent from any University-supervised activities.

IV. Health and Safety
   a. I have consulted with a medical doctor with regard to my personal medical needs and there are no health-related reasons or problems that preclude or restrict my participation in this Program.
   b. I am aware of all applicable personal medical needs. I have arranged, through insurance or otherwise, to meet any and all needs for payment of medical costs while I participate in the Program. I recognize that the University is not obligated to attend to any of my medical or medication needs, and I assume all risk and responsibility therefore. If I require medical treatment or hospital care, during the Program, I agree that the University is not responsible for the cost or quality of such treatment or care.
   c. The University may (but is not obligated to) take any action it considers to be warranted under the circumstances regarding my health and safety including sending me home from the location of the Program. I agree to pay all expenses relating thereto and release the University from any liability for any actions in this regard.

V. Standards of Conduct
   a. I will also comply with the University's rules, standards, and instructions for student behavior. I waive and release all claims against the University that arise at a time when I am not under the direct supervision of the University or that are caused by my failure to remain under such supervision or to comply with such rules, standards, and instructions.
   b. I agree that the University has the right to enforce the standards of conduct described above, in its sole judgment, and that it will impose sanctions, up to and including expulsion from the Program, for violating these standards or for any behavior detrimental to or incompatible with the interest, harmony, and welfare of the University, the Program, or other participants. If I am expelled, I consent to being sent home at my own expense with no refund of fees.
   c. I will attend to any legal problems I encounter while participating in this program. The University is not responsible for providing any assistance under such circumstances.

VI. Program Arrangement, Changes, or Termination
   a. The University has the right to make cancellations, substitutions, or changes in case of emergency or changed conditions or in the interest of the Program. If I leave or am expelled from the Program for any reason, there will be no refund of fees already charged. I accept all responsibility for my travel arrangements and accommodations and for any loss or additional expenses incurred due to delays or other changes in the Program, means of transportation, other services, or sickness, weather, strikes, or other unforeseen causes. b. Knowing the risks described above, and in consideration of being permitted to participate in the Program, I agree, on behalf of my family, heirs, and personal representative(s), to assume all the risks and responsibilities surrounding my participation in the Program. To the maximum extent permitted by law, I release and indemnify The University of Mississippi and its officers, employees, and agents, from and against any present or future claim, loss or liability for injury to person or property which I may suffer, or for which I may be liable to any other person, during my participation in the Program (including periods in transit to or from any destination where the Program is being conducted).
