

## Honolulu, Hilo, and Kona, Hawaii

### Hawaiian STEAM: Microbes, Symbiosis, and Culture

BISC 380 / EDUC 555 / ENVS 399

**Credit Hours:** 3

**Instructors:** Dr. Erik Hom, Assistant Professor of Biology  
Dr. Renee Cunningham, Assistant Professor of Education

**Dates:** On Campus, TBD; Jan 3-14, 2019 in, Honolulu, Hilo, and Kona, HI

**Course Fee:** \$2695

#### Application

**deadline:** September 28, 2018

**To Register:** Go to [outreach.olemiss.edu/study\\_usa/how\\_to\\_apply.html](http://outreach.olemiss.edu/study_usa/how_to_apply.html)

### Students will:

- Stay at the East-West Center, on the campus of the University of Hawaii - Manoa
- Enjoy the beautiful Kualoa Ranch, participate in field sampling hikes, learn to culture microbes, visit the Kewalo Marine Lab, and snorkel in Hanauma Bay Nature Preserve
- Meet with museum curators and experiential education professionals to better understand education outside the classroom, as well as the integration of biological engineering in K-12 schools

- Learn about microbial symbiosis from scientists, and about the entwinement of nature, culture, and education from native Hawaiian educators
- On the Big Island, students will get the opportunity to visit a working tea plantation and explore the drastically different landscapes of the island.
- Students will be in shared accommodations on Hawaii.

### Location:

#### Honolulu, Hilo, and Kona, Hawaii

Students will participate in two days of classwork in Oxford, in December prior to departure. Students will depart on January 3rd and return on January 14th, spending 7 nights in Honolulu, HI, on the island of Oahu, and 4 nights on the Big Island of Hawaii.

### Who should go?

This course may interest Education, Environmental Science, Biology, Pharmacy, Chemistry, Biochemistry, Geoscience, Ocean Sciences, and Engineering students. Students must have completed BISC 160, 161, 162, 163 for BISC credit, or have instructor approval. No prerequisites for ENVS 399 or EDUC 555.

### Dates:

Students will meet on the Oxford campus prior to departure in December. The instructors will determine time and location. The program dates are Jan 3-14, 2019.

### Travel:

Flight and ground transportation costs are included in the Study USA course fee. Students are responsible for ground transportation costs during personal time; i.e. taxi, bus, or Uber.

### Costs:

Course fee is \$2695. Included in the fee are airfare, housing, group ground transportation, some group meals, and field site admission fees. Excluded from the cost are the Study USA application fee, tuition, most meals, and personal spending money.

*Itinerary subject to change. Students should wait to make travel arrangements after confirming dates and times with instructor.*
