IMPORTANT PROGRAM CHANGE

Due to changes to the Elementary Education program, students from ICC should complete the 48 hours comprised of the core and general education requirements above **BEFORE** transferring. A maximum of 61 semester hours of community college transfer credit may be applied to the Elementary Education degree, meaning students will have 13 hours that may be transferred in addition to the core and general education requirements. **STUDENTS SHOULD USE THE REMAINING 13 TRANSFER HOURS TO FULFILL CONCENTRATION HOURS IN SCIENCE, SOCIAL STUDIES, OR ENGLISH.** It is **STRONGLY** suggested that students complete the full 61 hours before transferring.

IMPORTANT NOTES:

A minimum cumulative transfer GPA of 2.50 is required to enter education coursework, and a core GPA of 2.75 is required to enter Phase II TEP of the Elementary Education program. Please be aware that GPA's may change after transferring due to differences in calculation methods. It is important to remember that Phase II begins with the second semester for full-time education students.

The University of Mississippi-Tupelo strongly recommends that students provide test scores before transferring and especially if applying for scholarships. Passing scores for the PRAXIS or an appropriate ACT score (composite of at least 21) or SAT score (990 composite) are required for admission into Phase II TEP and for most education scholarships. Please visit the ETS website at <http://www.ets.org> and see your academic advisor for more information.

CORE
Reading---156
Writing---162
Math---150

BACKGROUND CHECKS: All candidates in the School of Education must have a background check performed prior to beginning field experiences. Background checks must be completed through the link provided on the School of Education's website be paid by the student. Only one background check is required while in the teacher education program; however, if a candidate is not enrolled at the University of Mississippi for more than one calendar year, a second background check will be required. **If a background check reveals a criminal history, the candidate may not be allowed to participate in field experiences, which means he/she will not be able to complete the program.**

A maximum of 61 hours of community college credit may be applied toward a Bachelor of Arts in Education - Elementary Education degree at The University of Mississippi.
