Fourth Tuesdays Are BACK!

It is never too late to think about where you will travel next summer. At our opening continuity meeting this year we will focus on travel. Jerry Lunday will share her travels to Australia and Sherry Donald will share her adventures in Romania. Both traveled through educational opportunities that are available to everyone. Plan to attend our meeting in New Albany on Tuesday, September 25 at McAlister's Deli and begin to plan your trip next summer!

We want you to join in the festivities, so mark your calendars now and plan to join us in New Albany. We will meet at McAlister's from 5:00 p.m. until 7:00 p.m. on (McAlister's is located just to the left after Hwy 30 crosses over Hwy 78.) This meeting is very casual and gives us the opportunity to keep in touch with each other.

We look forward to seeing you there!

We Need Your Help!

Situation: The UMWP will be hosting the MWTI State Network Writing Conference on June 13-14th, 2008. Approximately 2008 teachers from across the state will be joining us in Oxford for a weekend of writing presentations.

Need: We need people who are willing to help us develop a theme, work that weekend, and prepare us for all that need to happen before the event occurs.

Interested? Plan to stay after the Continuity Meeting on September 25th. We really need your help!

Message Board

Remember, you don't have to be a member to visit the board and read the posts! You only need to be a member if you want to write a message and add to the discussion.

It is the hope of the tech team that we can have an active message board that will be a place to learn, share, and re-connect with writing project fellows.
