Supervisor Information

See Page 4 of this bulletin for an explanation of supervisor requirements.

The supervisor maintains and administers all test materials for the course(s) and completes activities as outlined on Page 4 of the bulletin. When appropriate, the supervisor removes all examinations from the course materials before distributing supplies to the student. A relative of the student may be approved as the student's supervisor only under extreme circumstances. A request for such approval and an explanation of the circumstances must accompany this order.
