

Piano Discoveries Camp Contract 2017

Dear Students and Parents:

We are excited about your participation in the *Piano Discoveries Summer Camp* at Ole Miss and are doing everything we can do make sure that this experience will be most enjoyable. In doing so, we would ask that you help us by reading the guidelines that have been included in this packet. These guidelines give us a structure in which we can assure both fun and safety while you are with us. We want to make sure that you are aware of all of the policies and procedures.

We realize that for many of our students, this summer will be the first time that they have had an extended stay on a college campus, and for some of them it will be the first time they have been away from home for an extended period of time. Because we take our responsibility to both students and parents seriously, we ask that you read through our rules carefully and then sign and return to us the statement below along with the "Medical Form" and "Parent Consent Form."

Having read the enclosed rules, we the undersigned understand that PIANO DISCOVERIES SUMMER CAMP students will not be allowed in non-program cars or vehicles unless arranged through the Director with parental permission. We understand the other camp rules as described and understand that while in attendance at the camp, the student is subject to those rules. We further recognize that the penalty for disobeying rules is to be sent home, a penalty that would result in loss of program fees. Finally, we give the Director authority to stand temporarily in a parental capacity ("in loco parentis") when necessary for the safety and well-being of the student.
