

# Chicago, Illinois

## LIBA 399

Healthcare Innovation in the United States

### Details

**6 days travel at \$1,400 plus tuition**

**3 Credit Hours**

**Instructed by: Dr. Andrew Bilbo**

**Travel dates: August 2-7, 2026**

**Priority Application Deadline: March 6, 2026**

### Students will learn:

- Recent advancements in medicine.
- History of innovation in American Medicine.
- The future of medical innovation in the United States.
- The ways medical innovation comes about.

### Who should go?

No pre-requisites required. Open to students in all majors. Designed for students interested in healthcare. This may interest students in allied health studies, biology, and chemistry.

### Prior to Departure

Meet with your Ole Miss instructor and fellow classmates virtually for an introduction to class topics, discussions, and a travel orientation.

### During Travel

Students make their own travel arrangements to and from the destination. Study USA will arrange all necessary ground transportation during your travel dates, starting from your arrival. Study USA also books and provides double-occupancy rooms. Your instructor will provide exact meeting dates and location during orientation. Students may have their airfare billed to their bursar account. You'll receive details upon course enrollment.

### Costs

\$1,400 plus tuition, local transportation during course, lodging/accommodation during travel, select group meals, daily activities listed in itinerary, and group tours listed on the itinerary.

Not included are tuition, airfare to and from destination, most meals at travel site, and personal spending money.

Once accepted to a program, the student accepts financial responsibility for Study USA program fees and tuition and must adhere to the application and withdrawal policy.

*Itinerary subject to change. Students should wait to make travel arrangements until after confirming dates and times with instructors*
