

# Sheridan, Wyoming

## GE 301

Geological Engineering Design Field Camp 1

### Details

13 days travel at \$2,150 plus tuition

3 Credit Hours

Instructed by: Dr. Jennifer Gifford & Dr. Brian Platt

Travel dates: May 26-June 8, 2026

Priority Application Deadline: March 27, 2026

### Students will:

- Travel to Wyoming: Explore the unique geological features of Sheridan, WY.
- Field mapping at Amsden Wildlife Preserve: Learn geologic mapping techniques in a real-world setting.
- Volume estimation at Bald Mountain: Map and estimate geological volumes at the Big Horn Range.
- Stratigraphy measurement: Measure and describe stratigraphy in the field.

### Who should go?

May interest students in Geology and Geological Engineering. Pre-Requisites: To enroll in this course, students should have successfully passed GEOL 225: Mineralogy and Elementary Petrology and GEOL 314: Sedimentology and Stratigraphy.

### Prior to Departure

Meet once with your Ole Miss instructors during the Spring semester for an orientation with information about the course.

### During Travel

Students make their own travel arrangements to and from Sheridan, WY. Study USA will arrange all necessary ground transportation during your travel dates, starting from your arrival. Study USA also books and provides double-occupancy rooms. Your instructor will share meeting times and locations during the April meeting. Students may have their airfare billed to their bursar account. Details will be provided upon course enrollment.

### Costs

\$2,150 plus tuition, local transportation during course, lodging/accommodation during travel, all meals at travel site, and field site admission.

Not included are tuition, airfare to and from destination, and personal spending money.

Once accepted to a program, the student accepts financial responsibility for Study USA program fees and tuition and must adhere to the application and withdrawal policy.

*Itinerary subject to change. Students should wait to make travel arrangements until after confirming dates and times with instructors*
