

Oklahoma

GE 301

Geological Engineering Design Field Camp 1

Details

Dates: May 22-June 2, 2023*

Credit Hours: 3

Instructors: Dr. Brian Platt, Associate Professor of Geology and Geological Engineering, and Dr. Julie Retrum, Instructor of Geology and Geological Engineering

Cost: \$1,495 plus tuition

Application Deadline: April 6, 2023

Students will:

- Learn the use of the Brunton compass for measuring and orienting in the field
- Measure and describe stratigraphic sections while in the field
- Experience geological mapping and construction of relevant geological illustrations from the data collected
- Explore Southern Oklahoma

Dates/Location

Students should plan to arrive in Ardmore, OK, on May 21, and the field camp will take place May 22 – June 2, 2023.

Students will be based in Ardmore, OK; field experiences will be centered on Davis and Ardmore, OK.

Who should go?

This program is a required class for all students in the B.S. degrees of both Geology and Geological Engineering. GEOL 225 and GEOL 314 are prerequisites.

Costs

Program cost is \$1,495 plus tuition. Included in the cost are housing, group ground transportation in Oklahoma, meals, selected course materials, tours, and admission fees. Excluded from the cost are the Study USA application fee, tuition, travel expenses to/from Oklahoma, and personal spending money.

Travel

Students will make their own travel arrangements to and from Ardmore, OK. Ground transportation and shared accommodations in Oklahoma will be provided.

**Please verify specific dates with instructor and confirm that the course has adequate enrollment before making travel arrangements. Itinerary subject to change.*
