INFORMATION CONCERNING COLLEGE OF LIBERAL ARTS REQUIREMENTS

- An overall 2.0 GPA or higher is required on all coursework applied toward the major and minor. In some majors and minors, a minimum grade of C is required for each course.
- Double majors may not count courses toward both majors. The same course may not count towards a major and minor field of study.
- General education courses may also satisfy requirements towards a major or minor.
- Each senior must apply for a degree by returning a completed Intent to Graduate Form to the College of Liberal Arts Student Services Office in the semester preceding the semester in which the student expects to graduate.
- Refer to the College of Liberal Arts Academics and Admissions section in the catalog for all College rules associated with the B.A. degree, such as residency requirements for majors and minors.

INFORMATION CONCERNING GENERAL RULES, REGULATIONS AND MINIMUM REQUIREMENTS

- An overall 2.0 GPA or higher is required on all work attempted at UM, all college work attempted at any institution of higher learning (UM and transfer work), and all coursework submitted toward the degree.
- At least 25% of the hours required for an undergraduate degree must be taken in residence, with at least 12 of the last 21 credit hours completed at UM.
- At least one-third of the hours applied toward a degree must be at the 300-, 400-, or 500-level. For example, a student qualifying for a degree with 120 semester hours must show at least 40 hours of work at the 300 level or above.
- In addition, at least 30 semester hours of residence credit must be taken in the school or college recommending the degree.
- The limit on the acceptance of credit from a junior or community college is one-half the total requirements for a degree.

Refer to the Undergraduate Academic Regulations section in the catalog for all university degree requirements.
