Office of the Registrar

The Office of the Registrar supervises registration, official academic records during a student's enrollment at Ole Miss, notification concerning student progress in courses, preparation of transcripts to be sent at the written request of the individual student, schedules for examinations, cooperation with veterans on various benefits available to them, and graduation.

The Family Education Rights and Privacy Act of 1974 (Buckley Amendment) is a federal law that governs access to students' academic records. The law guarantees students access to their educational records, including the right to inspect and review educational records, the right to obtain copies of the records (a copying fee may be charged), and the right to challenge or supplement information on file in order to prevent flawed interpretation. Certain records (for example, medical records) are not deemed to be educational records and are therefore not accessible to students.

Additionally, the Buckley Amendment prohibits the disclosure of "personally identifiable information" to third parties without the prior written consent of the student. Exceptions may be made only for University officials and others with legitimate educational interests. The University may disclose "directory information" unless the student notifies the University to withhold it.

Directory information is defined as a student's name, address, telephone number, e-mail address, date and place of birth, major field of study, student activities, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the last educational agency or institution attended.

Academic Advising

Academic advising is available for all University of Mississippi-Tupelo students. Students may now schedule their advising appointments online at www.olemiss.edu/tupelo by selecting "Meet with an Advisor" under the "Connect With Us" tab at the top of the page.

Advisors will be available throughout the semester.

Undergraduate and graduate students must have their advisors' approval for course registration. Additional contact with University academic advisors is available through e-mail, by phone, or by appointment.

Registration for all courses through the University of Mississippi is accomplished via the Ole Miss website. You must be admitted to the University of Mississippi, meet with your academic advisor, and have any holds removed before you may register for courses.

Students register for classes and make schedule adjustments using their Web ID and password. Early registration for classes is encouraged. The University reserves the right to limit enrollment, to cancel any class, to reschedule or postpone any class, or to limit registration by degree level.

Note: The advisor hold is reset every semester. Students must meet with their advisors each semester to have the advising hold lifted before registering for courses.

HOW TO REGISTER FOR CLASSES

- Step 1** Develop a schedule with your advisor. You must meet with your academic advisor to receive important instructions prior to accessing the registration system.
- Step 2** Go to my.olemiss.edu and sign in using your Ole Miss WebID. Detailed instructions on how to register are provided at: olemiss.edu/info/priorityregistration
- Step 3** When you have completed registration, be sure to close your browser so no one else may access your schedule.

Web Registration

You must login to myOleMiss with your WebID in order to register for classes. When you are admitted, you should receive a text message and/or e-mail giving you your WebID and initial password. Go to the link provided to reset your password. If you did not receive the e-mail or text message, contact the UM-Tupelo office at (662) 844-5622.

You may also contact the IT Helpdesk at helpdesk@olemiss.edu or (662) 915-5222 for additional assistance.

The schedule of classes is available ONLINE and in print in the UM-Tupelo office about six weeks before the end of a semester. After your academic advisor approves your schedule, the advisor will remove the advising hold from your account. This will allow you to register for classes. The time when a student may begin registration varies for different categories of students. Priorities for various groups are listed in each semester's course schedule.

You may check your registration window each semester on the myOleMiss site under the "Current Students" tab. myOleMiss is an online system that allows students, faculty, and staff to access information and applications via the Web with a single login across multiple systems. Students must log in to myOleMiss at my.olemiss.edu in order to book (register for) classes, view their grades online, view financial aid information, view any holds, and many more activities.

Students may register for classes by visiting: my.olemiss.edu and signing in using your WebID. You accept the responsibility for maintaining acceptable grades and for the payment of fees at the time you pre-register.

Dropping and Adding Classes

During the drop-add process, students should be certain that they keep enough hours to classify as full-time students (12-hour minimum for undergraduates).

Students may add courses, by using their myOleMiss portal through the fifth day in which classes meet during a regular semester. After the fifth day, students must have the approval of the instructor in the course. After the 10th day of classes (the last day to register),

courses may be added only under extraordinary circumstances approved by the Dean of the school or college in which the student is enrolled, and a small fee will be assessed per added course. In no case may a student add a class after the last regular class day in any semester.

A student may drop any course by using their myOleMiss portal until the course withdrawal deadline, which is on the 30th day in which classes meet during a regular semester. However, after the 10th day of classes a small fee will be assessed per dropped course. No indication of enrollment in a course properly dropped will be shown on any University record. Check the academic calendar.

Late Withdrawal for a Course

After the course withdrawal deadline, a student may drop a course only in cases of extreme and unavoidable emergency as determined by his or her academic dean. Unacceptable reasons for late withdrawal include dissatisfaction over an expected grade or a change in a student's degree program or major. In no case may a class be dropped after the last regular class day in any semester, session, or term. Courses dropped after the course withdrawal deadline will still appear on the student's official transcript. The W mark will be recorded if the student is passing the course at the time of withdrawal; the F grade will be recorded if the student is failing.

Withdrawal from the University

A student who wishes to withdraw from the University during the course of a semester or Summer term may do so:

- Online at [my.OleMiss.edu](https://my.olemiss.edu); select "Registration;" select "drop to 0 hours"
- In writing via fax or mail or e-mail (registrar@olemiss.edu)
- In person at the Office of the Registrar on campus

Appropriate University offices (Student Housing, Financial Aid, Bursar, ID Center, Library, and the student's Academic Dean) will be notified of the withdrawal by e-mail.

Full refunds of tuition and fees (minus a processing fee) are given for withdrawals during the first 10 days of classes of a regular semester; no refunds are given after the 10th day of classes.

Students who withdraw must apply for readmission if not enrolling for the subsequent term.

In case of an unofficial withdrawal, the school will determine the appropriate date of withdrawal to be that of the midpoint of the term, unless the student can document a different date. **All students should be aware that withdrawing (either officially or unofficially) can adversely affect scholarships and grants (Academic Excellence, MTAG, etc.) for the next term of attendance. The Office of Financial Aid can provide guidance in those cases.** Refund, repayment and withdrawal policies are subject to change, without notice, in order to comply with administrative and regulatory requirements.

Military Withdrawals

Any student who has enrolled at an institution under the governance of the Board of Trustees, who is a member of the Mississippi National Guard, or one or more units of the Mississippi State Guard, or who is a member of any of the reserve components of the armed forces of the United States, and who has been placed in active duty status by orders of the President of the United States, or who has been drafted into any component of the armed forces of the United States, may be allowed to withdraw as a student of the institution, with a full refund of tuition, out-of-state fees (if applicable), student fees and any special fees, with room and board fees prorated with the approval of the Institutional Executive Officer.

Any student who withdraws from an institution under this policy will not receive any grades. The student record will show evidence of the withdrawal with documentation on file.

A student required to withdraw from the University for involuntary military service may be given full credit for course work in progress provided at least four-fifths of the course requirements have been completed. The student's Academic Dean will decide if the four-fifths requirement is met, and the student's instructors will decide whether or not final examinations will be required.

Summer Term Deadlines

During a summer term, the last day for full refunds on complete withdrawals is the last day to register or add courses, and the course withdrawal deadline is the 10th day of classes.

Address Information

The Office of the Registrar maintains addresses and other information for contacting each student. It is the student's responsibility to update address information immediately. Address changes are made through the student myOleMiss portal.

Requesting Your Transcript

A transcript is an exact copy of a your permanent academic record at the time it is issued. It can be either official or unofficial.

An official transcript carries the date of issue and the seal of the University. Normally, an official transcript is not given to a student but is sent directly to another college or a prospective employer. If a you must have an official transcript, the transcript is stamped “Issued to Student.”

Request an official transcript at www.parchment.com/u/registration/34153/institution. Telephone requests are not honored. No official transcript may be issued to or for a student who is indebted to the University until such indebtedness has been paid or satisfactorily adjusted.

Transcripts covering a student’s previous secondary and college education, which have been submitted to the University as a requirement for admission, become a part of the Registrar’s official file. The University does not reissue or certify copies of transcripts from other institutions. Transcripts must be ordered directly from the institution(s) at which the work was undertaken.

Class Attendance

It is the responsibility of the instructor to notify classes at the outset of each course of the class attendance requirements. It is the responsibility of the students to comply with the class attendance policy. A student who is absent from the first class meeting may be dropped from that class by the Dean of the school or college with responsibility for the course. A student who incurs excessive absences in a given course may receive a grade of F for the course and may be dismissed from the class upon recommendation of the instructor and approval of the student’s Academic Dean.

When it appears to an instructor that a student has discontinued a class without officially dropping the course, the instructor will report this fact to the student’s Academic Dean. The University reserves the right to dismiss any student who has been excessively absent from multiple courses.

It is the student’s responsibility to officially withdraw from a course; the student should consult his/her advisor before withdrawal.

UM Course Forgiveness Policy

An undergraduate student may improve his or her overall GPA by invoking forgiveness or exclusion on a maximum of four courses (not to exceed 14 credit hours) in which the student received a grade of C-, D or F and requesting that the original grade be excluded from the GPA calculation. If the course has been repeated, the repeat must be in the same course and must be taken at The University of Mississippi in fall 1992 or later. Under the forgiveness policy, a maximum of two courses (not to exceed 7 hours) in which the student received a grade of C-, D or F may be excluded from the student’s GPA calculation without repeating the course.

The student must file a Petition to Invoke Grade Forgiveness Policy with the Registrar’s Office, stating which courses are to be forgiven or excluded. Once the student has declared one course, a different course cannot be substituted at a later date. The forgiveness policy cannot be used to remove grades given for reasons of academic discipline. Forgiveness of a course grade will not change notations concerning academic standing or honors in the student’s official record for the semester containing the forgiven course.

Although original grades will remain on the student’s permanent record, the forgiven or excluded grades will not be used to determine credit towards a degree and GPA. The original course will be recorded with both the grade earned and the symbol R to denote that it has been removed from the student’s GPA calculation either because it was repeated or excluded. The recalculated GPA will be used for determining graduation honors.

The forgiveness policy does not apply to students enrolled in the professional program in the School of Pharmacy for grades received in required professional courses as designated in the curricula for the B.S. in Pharmaceutical Sciences and Doctor of Pharmacy degree.

Holds

A student may be prohibited from registering for classes, adding or dropping classes, or receiving transcripts or diploma if that student has a “Hold” with the University. Holds may be placed on a student’s account for various reasons, including money owed to the University, library fines, outstanding parking tickets, judicial sanctions, or other monies owed for services rendered or items received. Students may check to see if they have holds by going to their myOleMiss account and checking their holds.

GRADE POINTS PER CREDIT HOUR

A = 4.0	C+ = 2.3
A- = 3.7	C = 2.0
B+ = 3.3	C- = 1.7
B = 3.0	D = 1.0
B- = 2.7	F = 0

Grade Points and GPA

Grade-point average (GPA) is computed by dividing the number of A, A-, B+, B, B-, C+, C, C-, D, F-graded hours attempted at UM into the total number of grade points earned at the University. For the purpose of certain prerequisites and degree requirements, a B average and C average are defined as a GPA of 3.00 and 2.00, respectively, unless a more specific requirement is indicated.

Grade Reporting — Reports of final grades are available through the online system.

University Academic Honors

Honor Roll: Full-time students who have earned a grade point average of 3.75 or higher on academic work are listed on the Chancellor's Honor Roll. Students earning a grade-point average of 3.50 to 3.74 are listed on the Dean's Honor Roll in the appropriate school or college.

Honors Day: The entire University community recognizes students for their outstanding academic achievements on Honors Day.

Taylor Medal: The University's highest individual academic award for scholarship is the Taylor Medal. It is awarded each year on Honors Day to students in pre-designated areas. These medalists are nominated by faculty members in their chosen area.

Diploma Honors: Students are recognized for academic achievement by the faculty and administration upon graduation with the bachelor's degree. Cum laude requires an overall grade-point average above a 3.5 to 3.74; magna cum laude requires a 3.75 to below a 3.9; summa cum laude requires a 3.9 or above.

Academic Conduct

Standards of Honesty

The University is conducted on a basis of common honesty. Dishonesty, cheating or plagiarism, or knowingly furnishing false information to the University are regarded as particularly serious offenses. Disruptive behavior in an academic situation or purposely harming academic facilities is also grounds for academic discipline.

Disciplinary Procedures

The University of Mississippi Academic Discipline Policy is available on the UM website by searching "Academic Discipline Policy" located online at olemiss.edu.

Appeal Process for Disciplinary Procedures

Disciplinary procedures for academic issues follow the policies outlined in the University's "Academic Discipline Policy" at olemiss.edu.

Should a student wish to appeal a disciplinary action taken at their regional campus, the following is the proper procedure:

1. Hearing by an impartial staff member (Melanie Clement or Angela Palmer at UM-Tupelo). At this point the objections are heard, and an attempt at resolving the issue made (i.e. the student and staff member come to an understanding and the student accepts the discipline).
2. If Step One is not acceptable to the student, a Disciplinary Appeals Committee at the campus will hear the matter. The committee is composed of the staff member who heard the original issue and at least two others including a permanent appointee to the Appeals Committee. The hearing could result in a resolution for the student.
3. If Step Two is not acceptable to the student, then the student can appeal the matter to the Executive Director at the campus. If the student does not accept the decision of the Executive Director, the matter is referred to the appropriate officer(s) on the Oxford campus.
4. If at any point in the process individuals believe that the student is a danger to him/herself or others, the matter will be referred to the Student Intervention Team on the Oxford Campus.

UM-Tupelo Campus Information

Breaks

Vending machines are located on the 3rd floor. Students must consume food and beverages prior to returning to classrooms. No food or beverages are allowed in classrooms.

Cell Phone Use

Cell phones must be turned off or in airplane mode in the Distance Learning (DL) classrooms and the hallways adjacent to the DL classrooms (i.e., including all second floor classrooms: Rooms 233-266). Because cell phones disrupt the DL technology used by the University and UM-Tupelo to deliver and receive classes by video-conferencing, their use is restricted to areas with the tile floors on the second floor. Emergency situations can be handled by contacting the DL technicians at (662) 844-5622.

Children

Students or visitors are not to bring children to class or leave them unattended at any time.

Distance Learning Classrooms

Distance Learning Technicians manage distance learning technology, linking the UM-Tupelo campus with the Oxford, Southaven, Booneville, and Grenada campuses. Zoom technology provides “live” instruction to regional campus classes at UM-Tupelo. Courses utilizing distance learning are marked with an asterisk on the course schedule. Distance learning classes typically follow the Oxford campus schedule.

Online Courses

Ole Miss Online courses are semester-based courses. These courses begin and end at the same time as on-campus classes and operate on a scheduled syllabus. Proficient computer skills and access to a reliable computer system are prerequisites for online courses. A Blackboard and Ole Miss Web e-mail account are requirements for students enrolled in online courses.

Course information will be posted on Blackboard or sent to the student’s Ole Miss Web e-mail account. Students unable to access their Blackboard accounts or who have not received information regarding enrollment in an online course after the first day of class should contact the Ole Miss Online office ((662) 915-7313) immediately.

Room Assignments

Room assignments for classes will be posted on the bulletin boards throughout the UM-Tupelo building during the first few class meetings of each semester.

Student Identification Cards

The University of Mississippi requires all students to have an official University student ID. These cards allow you to check out books and prove your identification as a UM student for other student services, such as taking a proctored exam. Student ID photos will be made during Orientations or you may obtain your ID by completing the form located online at:

idcenter.olemiss.edu/getting-one-card/. Please mail the completed form and your photo back to the return address on the form

Tobacco-Free Policy

The University of Mississippi-Tupelo is a tobacco-free campus. The use of tobacco and smoking products is not permitted, which includes but is not limited to buildings, grounds, parking areas (including inside vehicles), and walkways.

Testing Information

Appointments for proctored examinations at the UM-Tupelo campus may be made through the online registration system located on the UM-Tupelo website: olemiss.edu/tupelo. On the UM-Tupelo Website, please click on the “Current student” tab at the top of the page and then “Schedule Testing” from the drop-down menu.

A new web page will open where you will choose your test type, exam name, date, and time. You should receive a confirmation e-mail about your appointment.

Should you need to reschedule a test, please cancel your existing appointment. Only after canceling your first appointment will you be able to register for a new time.

Each vehicle you plan to park on campus will need a parking decal.

Vehicle Registration and Parking

Each vehicle to be used by a student will need its own decal. The first decal is to be ordered using the online process and will cost \$75.00. Each subsequent decal should be obtained through the front office of your regional campus. All additional decals will also be \$75.00 or pro-rated according to the time of year that it is received. A replacement decal can be obtained for \$5, but the student must supply us with proof that the previous decal is no longer in use (accident report, insurance or repair bill, bill of sale on previous vehicle or the previous decal scraped from the windshield.) *If you have any questions, contact Jo Stark at (662) 915-5953.*

Online Vehicle Registration

1. Go to olemiss.edu/parking.
2. Click on **My Parking Account** (large red button on the right side of the page).
3. In the PERMITS section, click the **Get Permits** button.
4. Log in with your university Web ID and password (select the Affiliated Login option; do not select guest log-in).
5. Read any instructions on the Purchase a Permit page and click “Next.”
6. A list of permits that you are eligible to purchase will appear. Choose one, read and check the boxes below, and click “Next.”
7. Select an existing vehicle already in the system or add a vehicle to your records by selecting the **Add Vehicle** button. To update a license plate on an existing vehicle, you must add a new vehicle with the new license plate number. Select the correct vehicle from the list. Click “Next.”
8. Select an existing U.S. Postal Service mailing address, or add a new USPS address. Only USPS mailing addresses are valid. Your permit will arrive at your USPS mailing address within 14 days.
9. For students, click Bursar Account. Faculty and staff have the option to pay with Visa, MasterCard or by payroll deductions over nine months.
10. On the receipt page, you may click the link to print a temporary permit to place on your dash until the regular permit arrives in the mail. To print your temporary permit, Acrobat or Acrobat Reader (free) is required. You will also receive an email

confirmation, which has a link that may also be clicked to print your temporary permit. Please note the temporary permit is only valid on the vehicle associated with the tag number listed.

If your permit does not arrive within 14-days, please call our office at (662) 915-7235. The decals will allow you to park in authorized commuter parking space on the regional campuses as well as on the Oxford campus. If for any reason you need to drive a non-registered vehicle to campus, you must stop by the UM-Tupelo office, or the UM Oxford office in the South Campus Recreation Facility, Suite A, to obtain a temporary parking permit. **Vehicles parked at the UM-Tupelo campus or Oxford campus that do not have a parking decal or temporary permit will be ticketed.**

Parking

Parking is available in the circle around the UM-Tupelo Campus (i.e., Advanced Education Center) and in adjacent parking lots on the ICC Campus to the south and on the northeast corner (just off Briar Ridge Road) of the UM-Tupelo building. Specific parking spaces are reserved for official university vehicles and for persons with disabilities. All other parking is available on a “first come” basis.

Parking Fines

Parking will follow UM Campus procedures and penalties. Fines will be charged to your student bursar account. Unpaid accounts will result in a hold being placed on your student account so that you will not be able to register for upcoming semester courses.

Emergency Closings, Class Cancellations, and Safety Procedures

Instructors are responsible for informing class of cancellations (usually by e-mail and RebalAlert messages).

Closings of the Tupelo Campus due to weather conditions will be announced by local television stations, the University of MS-Tupelo website, and the University of MS-Tupelo social media pages. Closings will also be communicated via your UM e-mail account. To inquire about closings of the University of Mississippi-Oxford Campus due to weather conditions, call (662) 915-1040 and visit olemiss.edu.

REBALERT Text Message Notifications

Students who have provided a valid cell phone number will receive emergency text message notifications from the University of Mississippi-Tupelo. Students can verify, change, or sign up for these notifications by logging in to myOleMiss with their WebID. Within myOleMiss, click Student=>My Profile=>Contact Information. Follow the instructions to edit your information, if needed.

Tupelo Center Safety Plan Signals

FIRE: Audible warning will occur with instructions to exit the building. In case of fire, all students and personnel should calmly leave the building by way of the nearest exit. DO NOT USE THE ELEVATOR.

TORNADO: Audible warning over the public address system. Occupants of the building will move to the first floor inner hallway.

Tornado preparedness information is posted on our emergency website: olemiss.edu/emergency

Tornado

Sirens mean that a Tornado Warning has been issued, and our campus is in danger. These sirens should be taken seriously and are only activated by the local Emergency Management Administrators if the National Weather Service has evidence that the campus is in the path of a tornado.

In the case of a Tornado Warning, all university activities are automatically suspended. This includes classes, meetings, and business operations. At the first sound of a siren you should seek shelter immediately on the ground level (the first floor) of the Advanced Education Center (AEC) building away from windows (for example, interior classrooms, offices, or corridors). The UM-Tupelo staff will also issue directions over the public address system. Remain in a safe place until the Tornado Warning has expired. Classes in session when the Tornado Warning is issued can resume immediately after the warning has expired at the discretion of the instructor. Classes that have not yet begun will resume 30 minutes after the Tornado Warning has expired, provided at least half of the class period remains.

Graduation

UM-Tupelo students who are a semester away from graduation should discuss applying for graduation with their academic advisors. Although degrees are awarded throughout the year, the official commencement ceremonies for University of Mississippi graduates are held once a year on the Oxford campus.

A graduation celebration to honor student achievements is held for graduates each Spring on the UM-Tupelo campus. Family and friends of graduates are invited to share in recognizing students on their home campus. Official commencement exercises for all graduates are held each May on the University of Mississippi main campus in Oxford.

2022 Graduation Celebration

Computers, E-mail, and Such

For more information, please contact the University of Mississippi-Tupelo Distance Learning Technician, at (662) 844-5622.

As an Ole Miss student, you will use computers and networks throughout your tenure as a University of Mississippi student to download information from course websites, turn in homework via e-mail, communicate with instructors and fellow students, and access library databases and other online resources. The UM IT (Information Technology) department provides the following to help you get connected:

- **A unique WebID that acts as a single sign-on for all UM Web applications**
This is what you'll use to access the University's Online Services/myOleMiss, and your Ole Miss e-mail address. By signing in with your WebID on these sites you will be able to register for classes, check grades, and view your student information. It is also how you will log on to Blackboard, a Web-based course-management system used by many UM instructors.
- **An Ole Miss e-mail account is automatically assigned. E-mail is the primary way the University faculty and staff contact students, so it is important to check it daily at go.olemiss.edu.**
- **Easy network access** — UM-Tupelo is equipped with wireless internet access. Please contact one of the DL technicians to find out more about accessing this from your personal laptop.
- **The Computer Lounge** is located in the third-floor foyer. The lounge is available to print school assignments. Prints are 10-cents per page and printing is done with the Pharos pay printer. Printing charges are added to the student's Bursar account. There are 8 computers in the vending area for students to use for homework and to check their Ole Miss e-mail account. To insure that it is not lost, please back-up all of your work to a flash drive. Also, be sure to e-mail a copy of the work to yourself or upload it to a cloud storage site such as Google Drive or UM Box.
- **Three computer labs are available to instructors and students** on the UM-Tupelo campus. Labs are available to students during UM-Tupelo hours of operation unless they are reserved for classroom use. Coordinate with Carrie Cannon to eliminate any scheduling conflicts.
 - Please do not eat or drink in the lab.
 - The lab should be returned to its original state after use.
 - Due to limited bandwidth on our wireless network, please keep your internet use to school related tasks, especially when streaming audio or video content from sites such as YouTube, Hulu, Netflix, and Facebook.
- **Vendor Discounts** — Several hardware and software vendors have agreements with the University to offer select products at discounted prices for students. See olemiss.edu/computers.
- **Ole Miss Online Storage: Box and Google Drive** — Use your WebID to log into Box from the Ole Miss home page or box.olemiss.edu. Google Drive is linked through your Ole Miss e-mail account. This can be accessed at go.olemiss.edu.

Student Organizations

Student organizations can enhance personal and professional skills that are invaluable to the well-rounded college student. Not only are these groups coordinating local outreach events, but they are also learning to apply classroom knowledge to real world situations. Within each of these organizations, students can be seen taking the initiative to create proactive involvement within the Tupelo community.

Student Disability Services

Stacey Reycraft, Director, (662) 915-7128 or sds@olemiss.edu
sds.olemiss.edu

The University of Mississippi is committed to the creation of inclusive learning environments for all students and toward that end is happy to assist students with disabilities with academic, environmental, and social barriers that they may encounter in the classroom and on campus. Student Disability Services (SDS) is the University department tasked with facilitating this barrier removal for students with apparent and non-apparent disabilities.

It is the responsibility of students with disabilities to seek assistance from SDS. An intake application and interview must be completed by the student and external documentation supporting any requests for assistance must be submitted. Students are encouraged to begin this process as soon as possible after admission to the University as the approval process can be time consuming.

To request accommodations, please visit sds.olemiss.edu/apply-for-services and complete an application.

Financial Aid

The University of Mississippi-Tupelo Financial Aid advisor is available Monday, Wednesday, and Thursday from 8:30 a.m. to 5:30 p.m. to meet with you concerning any questions that you may have about financial aid. To schedule an appointment, visit calendly.com/cmrock.

Applying for financial aid:

Completion of the Free Application for Federal Student Aid (FAFSA) is required for all forms of federal financial aid for which you might apply. **Be sure to include the University of Mississippi school code on your FAFSA: 002440.**

Visit fafsa.gov or download the myStudentAid App from a smart device's app store.

You should also complete applications for state of Mississippi aid by visiting msfinancialaid.org. See your financial aid advisor for instructions.

As you transfer to UM-Tupelo, remember that:

Financial aid does not “transfer” from one institution to another. You must apply individually for each institution.

All correspondence from the Office of Financial Aid is sent via e-mail to your go.olemiss.edu account. Be sure to check your UM e-mail account daily.

Financial Aid considers the Fall Semester to include Fall/Fall 1/ Fall 2 courses for purposes of determining enrollment status and awarding aid. Spring Semester combines Winter Intersession/ Spring/Spring 1/Spring 2. Summer is considered a separate term to include May Intersession, First Summer Session, Full Summer Session, Second Summer Session, and August Intersession. Financial aid may/may not be available for attending Summer session(s). Speak to your financial aid advisor if you are planning to attend Summer school. General Summer financial aid information can be found here: finaid.olemiss.edu/current-students.

THE 4 BASIC TYPES OF STUDENT FINANCIAL ASSISTANCE

- **Scholarships** are gift programs that do not have to be repaid. They are typically awarded in recognition of significant achievement or academic talent. UM-Tupelo offers numerous scholarships to help you finance your education. We urge you to apply for all for which you qualify.
- **Grants** are gift aid that will not have to be repaid and usually require demonstration of financial need.
- **Loans** are funds that have to be repaid with interest.
- **Part-time employment** on the UM-Tupelo campus provides opportunities for students to earn money to apply toward their educational expenses..

Frequently Asked Questions about Financial Aid

When do I pay tuition and fees?

For the Fall Semester, a bill will be e-mailed to your go.olemiss.edu address shortly after July 31. You should plan accordingly so that your payment will be received before the due date of August 15.

If I receive financial aid that will exceed my tuition and fees, how do I receive excess financial aid?

You can choose to have excess financial aid delivered by direct deposit to your bank account (the preferred way) or by a check mailed to your billing address. The University will process direct deposits five days before classes begin. After this initial disbursement, direct deposits will be processed daily; **however, checks will only be processed once a week.** Students can access the direct deposit information at olemiss.edu/directdeposit.

What are the advantages of direct deposit vs. having a check mailed to a local address?

- Direct deposits are electronically delivered directly to your bank account.
- Direct deposits provide quicker access to your funds..
- Mailing address problems are eliminated with direct deposits.
- No standing in line at the bank.
- Protection against theft or time delays caused by lost checks, which take several weeks to replace.
- No worries if you are out of town or don't have time to pick up the mail.

If I register for courses, but my plans change and I won't be attending the University of Mississippi, what should I do?

Any student who decides not to attend the University should contact the Registrar's office as soon as his or her plans change and officially withdraw from the University. Students who officially withdraw:

- **Before the first day of classes** avoid all financial and grade obligations. Any financial aid that has been credited must be returned in full.
- **After classes begin**, see the chart below to determine the last date to withdraw and receive a refund. For the exact date, refer to the Academic Calendar at: registrar.olemiss.edu.

Fall Term	Within the first 10 days of class
Fall 1	Within the first 3 days of class
Fall 2	Within the first 3 days of class
Wintersession	Within the first 2 days of class
Spring Term	Within the first 10 days of class
Spring 1	Within the first 3 days of class
Spring 2	Within the first 3 days of class

- **During the refund period** avoid most of their financial obligation (there is a maximum processing fee of \$100 per term) and all of their grade liability. Any institutional aid that has been credited must be returned in full. (For federal aid, please refer to the question about attendance verification.)
- **After the refund period has ended for the term but on or before the course withdrawal date deadline** will not receive a refund nor will they receive failing grades. Students who received aid may have to return a prorated portion of their financial aid.
- **After the course withdrawal date deadline of the term** will not receive a refund and will receive grades ('W'-Withdrawn or 'F'-Failure) in each course. Students who received aid may have to return a prorated portion of their disbursement.

I am confused because the University has three withdrawal dates. Can you explain the difference?

It is true that the University has three withdrawal dates. There is a date to withdraw to receive a refund of tuition and fees, there is a date to withdraw to avoid receiving grades, and there is a date to withdraw that affects whether or not you will be required to repay any federal financial aid.

For Refund: The last date to withdraw and receive a refund is within the first few days of the semester. After this date, there are no refunds.

To Avoid Receiving Grades: The last date to withdraw and avoid receiving a failing grade on your transcript is called the course withdrawal deadline date. If withdrawing after this date, you will receive grades ('W'-Withdrawn or 'F'-Failure) in each course. Refer to the academic calendar at registrar.olemiss.edu for exact refund and course withdrawal deadline dates.

For Federal Financial Aid Recipients: If you withdraw before the 60 percent point of your enrollment period, you must repay a prorated portion of the federal financial aid for that term. See the chart below for the 60 percent point based on your enrollment:

Fall	October 21, 2022
Fall 1	September 17, 2022
Fall 2	November 13, 2022
Fall 1/Fall 2	October 27, 2022
Spring	April 3, 2023
Spring 1	February 20, 2023
Spring 2	April 24, 2023
Spring 1/Spring2	April 6, 2023
Wintersession	January 9, 2023
Wintersession/Spring	March 28, 2023
Wintersession/Spring 1	February 13, 2023
Wintersession/Spring 2	April 19, 2023

What is attendance verification?

Per federal regulations, you establish eligibility for aid only if you actually “SHOW UP” for your classes. Therefore, your presence in a class will be documented by the instructor through taking roll or by use of attendance ID scanners. This will be done at one of the class meetings within the first two weeks of class for a regular Fall/Spring semester (shorter time frames apply for mini-terms like Winter Intersession and Summer).

All courses must be verified. Note that this policy also applies to online classes, thesis/dissertation hours, labs, Study Abroad, and internships – although the methods of “attendance collection” are modified.

Processing of federal aid is affected by non-attendance in the following ways:

1. Once the semester starts, disbursement will be held until the University confirms that you have attended at least one class. (For summer terms, no federal aid will be released until an instructor has documented attendance in at least one class).
2. For each of the combined terms (Fall, Spring, and Summer, Financial Aid will “lock in” your enrollment for ALL sessions following the Mandatory Drop Date (MDD) of the very last session in which you enroll. Your attendance must have been verified in these classes. These are the credit hours that will be used to determine your final aid eligibility for the term.

Special rules apply for Federal Pell, SEOG, and TEACH grants because the award amounts are based on your enrollment level. Any previously disbursed aid may have to be adjusted, which may mean reduced aid amounts and/or paybacks.

Disbursed Federal Direct Loans and PLUS Loans are subject to being reduced or paid back if the student does not have confirmed attendance on record for at least one class in the combined term (OR if the Cost of Attendance is reduced during this adjustment).

Does the University automatically drop schedules because of non-payment of fees?

No, but please know that when you register for classes, you fill that seat in the course. The University makes the assumption that you are going to attend that class unless you officially withdraw from it. You assume financial responsibility to pay for your courses AND assume responsibility to attend class and successfully complete the course of study as presented by the instructor.

I have an “Accounts Receivable” or “Bursar Hold” and cannot participate in priority registration. How can I get it released?

These holds usually mean that your account is not current. In other words, you have University charges that are 30 days past due or there is another issue with your account in the Bursar’s office. To have the hold removed, you will have to pay all past due charges or clear the outstanding issue.

How do I apply for grants, loans, and the Federal Work-Study program?

You must complete a Free Application for Federal Student Aid (FAFSA) between **October 1, 2022 and June 30, 2023**. You may submit it electronically at studentaid.ed.gov.

[ed.gov](https://studentaid.ed.gov) or download the myStudentAid App from a smart device’s App store. The FAFSA must be completed annually. There is also a federal parent loan (Parent PLUS) that requires a separate application on the same website, studentaid.ed.gov.

What is verification?

Verification, a federally mandated process, requires a school to check the accuracy of the student’s (and parent’s, if applicable) financial and household information as reported on the FAFSA. To help with this process, Financial Aid has implemented a new self-service/mobile product called Student Forms. All new users will need to create an account in the system first – then documents and other information can be submitted online. Please see finaid.olemiss.edu/studentforms/.

Verification must be completed before any federal or need-based aid is awarded. In order to complete verification, students are required to complete and upload a verification worksheet and W2 forms and/or other applicable tax documents (student/parent W2 forms for dependent students; student/spouse W2 forms for married students).

For 2022-23, students (and parents) are strongly advised to use the IRS Data Retrieval Tool to transfer tax and income data to the FAFSA. Using this tool may expedite the verification process. Those who are unable or choose not to use the IRS Data Retrieval Tool are required to also submit tax return transcripts (not the actual tax returns) in order to complete verification. Transcripts may be requested from the IRS by calling 1-800-908-9946 or visiting the IRS website, irs.gov, and selecting “Get Your Tax Record” from the homepage.

What is MTAG?

MTAG (Mississippi Tuition Assistance Grant) is a grant of \$500 per year for freshmen and sophomores and \$1,000 per year for juniors and seniors. Entering freshmen with a minimum 15 ACT (or equivalent SAT) qualify for MTAG. For transfer students, the high school GPA and test scores are no longer considered, but individuals must enter with a 2.5 college GPA. MTAG is prorated for those students who receive a Federal Pell Grant. One-year Mississippi residency and full-time enrollment are required for this grant. Students must enroll in at least 15 hours to receive this award. Please note that undergraduates can only receive one state grant per term (MTAG, MESSG, HELP, Nissan Scholarship, or Law Enforcement Officers & Firemen Scholarship) — whichever is larger.

The online application for MTAG (which is the same one for the other state grants, except MS HELP which was March 31) is available at www.msfinancialaid.org. The submission deadline is September 15 of each year.

Can I check my financial aid/scholarship online?

Yes! All students must have a WebID to access financial aid awards and information. WebIDs and go.olemiss.edu e-mail will be the official means of business communication. You should have received your WebID and e-mail account shortly after you were admitted to the University. If not, please contact the University’s IT Help Desk at (662) 915-5222.

- You can review outstanding issues online and/or confirm our office has received a requirement.
- All financial aid awards must be accepted/declined/reduced electronically by accessing your award at my.olemiss.edu

What is loan entrance counseling?

Entrance counseling is required by federal regulations for all first-time borrowers at a school. The session gives an overview of the federal loan program, discusses interest rates, repayment requirements, and borrower rights and responsibilities. This counseling obligation is online at finaid.olemiss.edu/online-loan-entrance-counseling/. No loan funds can be disbursed until this is done.

What is the process for Federal Direct student loans?

Once a student accepts the Direct Loan online in myOleMiss, the University certifies the student’s loan. The student should complete Loan Entrance Counseling and electronically sign the Master Promissory Note (MPN) at studentloans.gov. The loan funds are posted to the student’s Bursar account at the beginning of the term (or, if processed later, within three to five business days.)

What if I accept a Work-Study position?

You will be sent additional information regarding how to conduct your job search for your Work-Study position. Work-study recipients are paid bimonthly. Undergraduates earn \$9.00/hour working for UM departments.

What are the fees that I will be charged for 2022-2023?

Students may submit an appeal online citing any special or mitigating circumstance they believe should be considered. There is also an in-person appeal request option in the event of an online written appeal denial.
